**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a student who works full time who cant afford to pay the exorbitant rental and service fees charged by large broadband companies unchecked by fair and healthy competition, especially when such monopolous holds on a market drastically lower the qualities of their services. I need local competitors like Sonic to provide affordable and reliable alternatives to AT&Ts business.
